

Teaneck Property Owners and Commercial Establishments

Snow and Ice Removal

Snow and ice must be removed from your sidewalk(s) within (12) hours for commercial properties and within (24) hours for residential properties, after the cessation of the snowfall. For commercial properties, you are responsible to adhere to such even if the business is closed during the time period noted. For both commercial and residential properties, you are responsible to clear snow and ice from the corner walking paths to the street, if such is adjacent to your property. * This is pursuant to **Township of Teaneck Code, Section 32 - 6**. Failure to comply may result in fines up to

\$500

per offense.
